SMART Extreme Collaboration Activity 2

Joining a Session

1. To join a session, you need to access a web browser through a laptop or mobile device that has internet connection.
   You can either use a QR code reader to join the session, or visit http://add2nb.com which is shown above the QR code.

2. Enter in the session id, listed above the QR code, and in the top of the Extreme Collaboration window.

3. Enter your first name. *Note: this is only asked for because it was set as required by the creator of the session*

4. Click "Connect"
