

EXTREME Learning with EXTREME Collaboration

Making the SMART Board experience collaborative.

SMART Extreme Collaboration Installation

1. Click [here](#) to begin the installation or go to the following link:
<http://exchange.smarttech.com/details.html?id=91367205-678c-4aae-accf-966497fc2f8f>

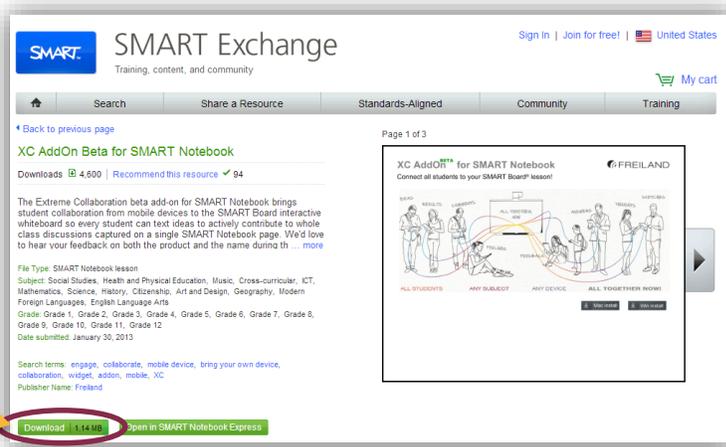

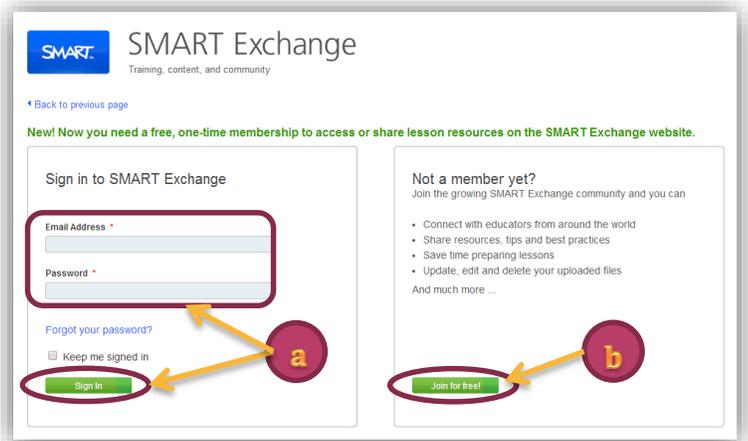

2. You will be redirected to this page:

The screenshot shows the SMART Exchange website interface. At the top, there is a navigation bar with 'SMART Exchange' and 'Training, content, and community'. Below this is a search bar and several tabs: 'Search', 'Share a Resource', 'Standards-Aligned', 'Community', and 'Training'. The main content area displays the resource 'XC AddOn Beta for SMART Notebook' by Freiland. It includes a description of the add-on, file type, subject, and grade levels. At the bottom of the resource page, there are two buttons: 'Download 1.14 MB' and 'Open in SMART Notebook Express'.

This is a close-up view of the resource page. The 'Download' button is circled in red, and an orange arrow points to it from the left. The button text is 'Download 1.14 MB'. To its right is the button 'Open in SMART Notebook Express'.

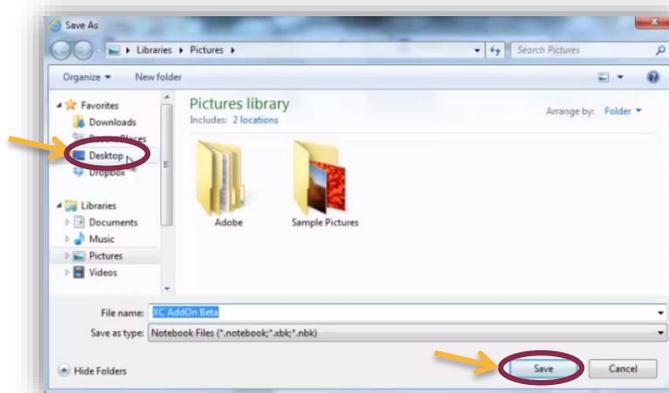

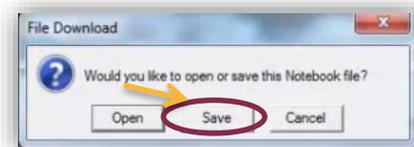

3. Press the "Download" button to start the installation.

4. You will be redirected to the login page. At this time:
 - a) If you already have an account with SMART Exchange please enter your e-mail address and password and press "Sign In".
 - b) If you don't have an account with SMART Exchange please create one by pressing "Join for Free!"

5. You will be redirected to this page again, click on "Download".

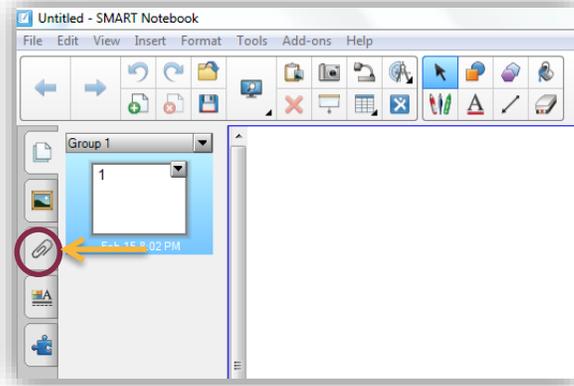

6. A window will appear asking you to "Open", "Save", or "Cancel", press "Save".

7. Save the file to your desktop for easy access.

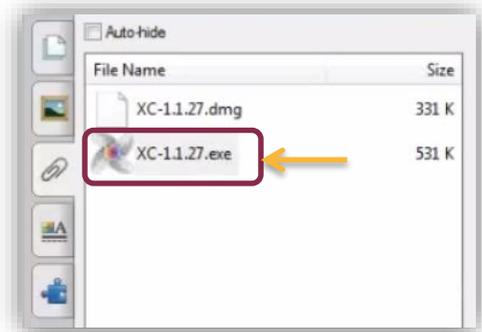

8. Go to your desktop and open the newly saved file titled "XC ADDOn Beta." This will open SMART Notebook 11.

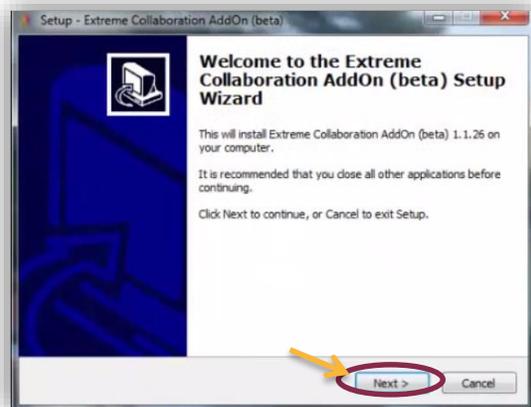

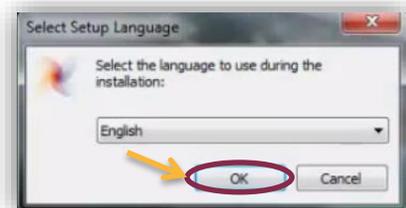

9. In SMART Notebook 11, click on the paper clip.

10. Two files should appear, drag the file XC-1.1.27.exe to your desktop.

11. Once the file is on your desktop, click on file (on your desktop) to open it.

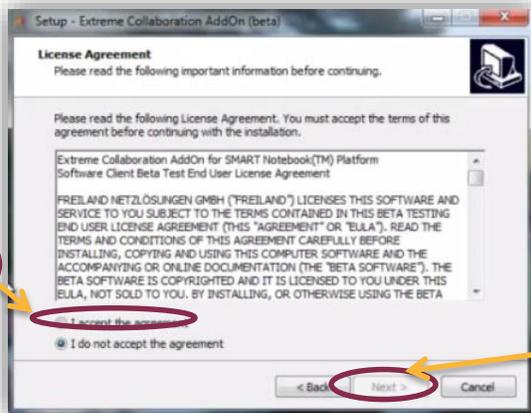

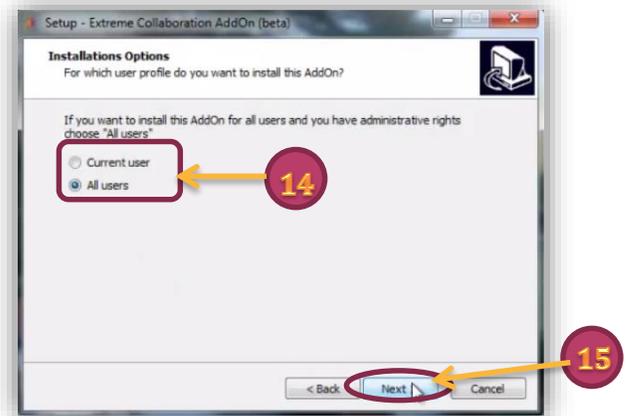

12. Select the preferred language and press “OK”

13. Press “Next” on the “Welcome to the Extreme Collaboration AddOn(beta) Setup Wizard” page.

14. Depending on your preferences, install the AddOn for “Current user” or “All users”

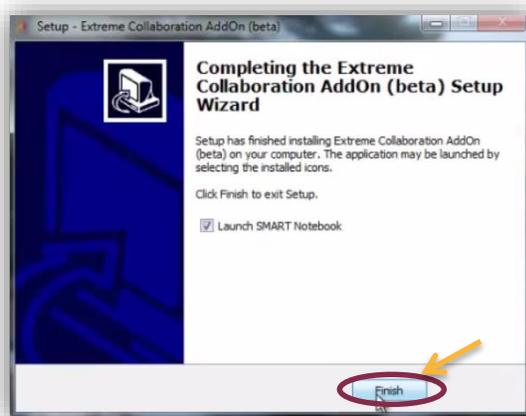

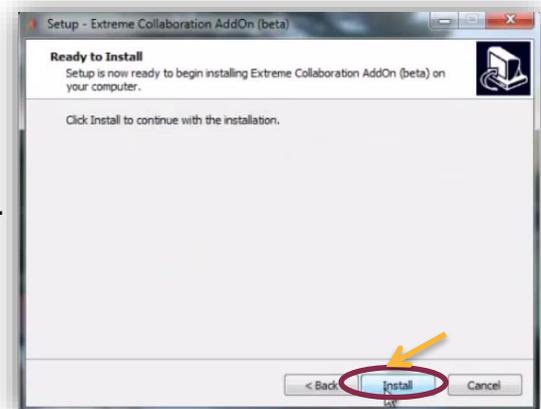

15. Press “Next”.

16. Choose “I accept the agreement”.

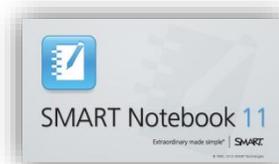

17. Press “Next”.

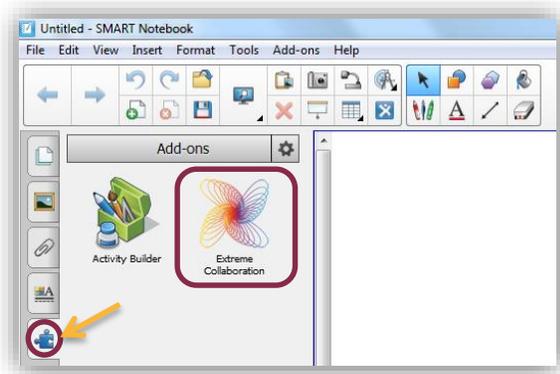

18. Press “Install” to continue with the installation.

19. When the installation is completed, ensure the “Open SMART Notebook 11” box is checked off and press “Finish”.

20. SMART Notebook 11 will open again.

21. To ensure that you have installed Extreme Collaboration correctly. Press on the puzzle piece to find the AddOn.
